NOTES—First Sheet.

Notes for [illegible] dated 4th February 1920 and addressed to [illegible]
the Irrig. Secretary to Government, Punjab Irrig. Department.

24939.

Under 305-10/1735-40 dated 16th March 1920

[illegible] securing sufficient supplies of food grains to the labour working at Bhakra-Nangal has been one of [illegible] difficulties. The arrangements made till now do not prove the difficult have not proved completely satisfactory for one reason or other

2. Lately it is reported that the local [illegible] are charging exhorbitant rates for the articles, the labour is put to considerable [illegible] difficulties. To meet some, extent of these difficulties [illegible] grain depots.

Consequently it is proposed to open two [illegible] one at each end of the Bhakra-Nangal Headworks. The Executive Engineer Bhakra Dam Division No. I has been asked to supervise the details and the Superintending Engineer, Sirhind Circle the operations. It is hereby proposed to establish depots to keep the necessary stocks and distribute grain to labourers at Rs.6/7/- per maund for each depot at Rs.6/4/- per maund. [illegible] circumstances, reports are received, to make it possible to the formation of the depots as proposed [illegible] with the establishments proposed by the Chief Engineer, Sutlej Valley Irrigation.

3. The food controller be requested to supply an indent from Executive Engineer/s Dam of the grains required for the depots to be established from the Provincial Depot.

4. The proposal to sell grains at cost price plus a profit of 2 annas to cover the working expenses will be [illegible] supporting is also appended. They realised by the sale will be credited to the food Controller.

The Superintending Engineer should see that proper accounts

Matter for perusal May this be despatched by
Secy to the Food Public Section.
